New York, July 13.—S. C. Hildreth's Fitz Herbert won the Lawrence Realization Stakes at Sheepshead Bay todax, and incidentally created a new American record for a mile and five-cightlis. He traversed the distance in 2:15, which was a fifteraversed the distance in 2:15, which was a fifteraversed the distance in 2:16, which was a fifteraversed and in winning the Lawrence Realization of 1963. As two of the champion's opponents, chambain and Detective, came from western and northern racing noints, interest in the race was entire to the contest of the quartette of contestants. Everybody, excepting possibly the immediate connections of the outsiders, expected that America's richest three-year-old isonated to eight favorite dominant at all stakes. While his was literally true, there was enough of contest injected into the race to keep the 10,000 spectators in a state of suspense, uncertainty and excitement from start to finish. Jock Fitz Herbert in front, but overdid his instructions.

D. C. JOHNSON'S B. G. S. ROSEBEN, BY BEN STROME-ROSE LEAF.

D. C. JOHNSON'S B. G, 8, ROSEBEN. BY BEN STROME—ROSE LEAF.

In racing, every year has its good sprinters, but every few years one crops up so superior to the average that it acquires a special degree of fame average that it acquires a special degree of fame area. His next winning race, was in the Towards of American turf history was Roseben. In superb disregard of weight he was a remarkable horse and his enormous flight of speed at any distance up to seven furlongs was something wonderful to contemplate. His days of racing are over. After as many farewell performances as falls to a favorite singer Roseben has really been retired and will spend the remainder of his days in peace and honor on the Genesse Valley farm of James W. Wadsworth in central New York. But in peace and honor on the Genesse Valley farm of the thousands of New York turf patrons whom be thrilled and amazed by his meteoric rushes over the New York tracks.

Roseben's racing career began in the powerful Drake stable of a half dozen or so years back, but he was lame and ailing when a two-year-old and was only started once, running unplaced in a little purserace at the Nashville spring meeting of 1963. The next winder he was for Drake at Morris Park in a sprint for maiden three-year-old and vasing performances in record the six year he passed into the possession of David C. Johnson, and his great racing was all made while the property and pride of this reckless plunger, His irst winning race, however, was for Drake at Morris Park in a sprint for maiden three-year-olds at 61 to King James in the Speed Handleap at Santa James and room the feet of the Springs, Ark. All Red Takes Centre Shot's Measure in Handicap Feature of Card-Cannie Maid Makes Disappointing Showing at Short Odds.

Buffalo, N. Y., July 13.—Track conditions today were made worse than yesterday by heavy rain that fell during the night and it required a sturdy racer to run successfully in the trying going. Form was at a discount and most of the choices were bowled over, enabling the bookmakers to partially retrieve previous losses. The handicap at a mile and seventy yards, which featured the card, resulted in defeat for Centre Shot, which despite her heavy impost, was considered to hold the race safe and was consequently made an early to cannot duel between All Red and Centre Shot from the start. The Cella and the centre Shot same the best of the others and beat them off.

Today's attendance did not fall far short of the record and interest in the racing was keen.

Cannie Maid's defeat in the second race by Caper Sauce was one of the principal surprises of the afternoon. Cannie Maid was looked upon as one of the likeliest winners of the card. She encouraged her backers by going well for a half, apparently holding Caper Sauce safe, but when it came to the real test, Caper Sauce drew away to whi by a good margin.

#### Veteran Jockey Announces His Retirement as Immediate Result of Mishap at Fort Erie.

From Buffalo comes the word that veteran Tommy Burns, who, during two successive years headed the American jockey list, has ridden his last race. The broken collar bone which followed Burn's fall from The Thorn at Fort Erie last Saturday, is directly responsible for Burns' determination to retire after a career in the saddle covering no less than sixteen years. Burns had been contemplating retirement for some time, but the ease with which he made riding weight and the fascination which the sport held for him, kept him in the saddle until the accident came along and finally influenced him to bring his long and useful riding career to a close.

As long ago as 1893 Burns, then a midget of notificate, was riding at St. Louis under the consideration of the control of the country in other years as well. When Burns was at the zenith of his fame no rider had anything on him. He started in riding at sevent-free bounds

winning mounts and ranked among the leading riders of the country in other years as well. When Burns was at the zenith of his fame no rider had anything on him. He started in riding at seventy-five pounds and won his first race in St. Paul in 1804 on Uncleding the property of the part from Hurns, a well-known turf character of that period.

Burns began to show his good form in 1804 and the was engaged by John W. Schort and Character in the was engaged by John W. Schort and Character in the was engaged by John W. Schort and Character in the was with Burns that Ellison made his fortune. The boy's success brought to them many thousands of dollars.

Burns never allowed his successes to turn his head. Unlike many of the boys who get to the position he achieved in the racing world, Burns was not improvident, and always kept the future in mind. As a result he is now worth a considerable amount of money, some placing the extent of his fortune as high as \$200.000. Whether or not that figure is correct it is hard to say, but it is certain that Burns is independently fixed for life. He is married and has a son and is now about thirty years old.

The we fockers that have ridden in this country can have the constitution of his saddle showing from the three did the list of America in 1898 down to date:

#### Karrick, W. H. .... 7 Woodford, D. ..... 3 Sheepshead Bay Track Records.

Shepshead Bay Track Records.

Two new records were established over the main course at Sheepshead Bay during the spring meeting of the Coney Island Jockey Club. Fashion Plate hing up a mark of 1:51 for one and one-eighth miles on July 10, and Fliz Herbert, on the last day of the meeting, in winning the Lawrence Realization Stakes reduced the record for one and five-eighths miles from 2:45½ to 2:45, which is also a new American record for the distance. One new record of 1:66½, for five and one-half furlongs, and the time of two

old marks equaled, was the extent of the damage done to the records over the turf course, while the steeplechase course of about two miles was lowered from 4:02 to 3:34. The complete records of the Sheepshead Bay track, revised up to date, are as follows:

#### LATEST PERFORMANCES OF HORSES ENTERED TODAY.

The small figure under "Str." shows the distance the horse was ahead of that next in the race. The small figure under "Fin."—unless the horse won—shows the number of lengths the horse was behind the winner.

#### SHEEPSHEAD BAY MEETING SUCCESSFUL

#### Popular Old Course Builds Up New Clientele-Bright Prospects for Yonkers and Saratoga.

New York, July 13.—The June meeting of the Concy Island Jockey Club, which came to an end today with the running of the historic Lawrence Realization—a three-year-old special, instituted in 1883, when the late James G. K. Lawrence, for whom it is named, was the genius of racing at Sheepshead Bay—was successful. The attendance from day to day fully equaled the expectations of President Schuyler Parsons and Treasurer Francis R. #### COMMENT ON LATONIA SITUATION.

Cincinnati, O., July 13.—"What Latonia will do in a racing way the coming fall is problematical," says the Enquirer.

The ere isn't a doubt that a misunderstanding prevails even the course. These that get their information from one side of the house say there will be no fall meeting and from the other side you learn that there will be a thirty-day meeting with purses aggregating \$2,000 a day.

"It is also said that there is liable to be a change of control, as one side has secured the stock necessary to accomplish that.

"The argument against a fall meeting is best expressed by the opinion of Harvey Myers, who said: What is the use of holding a race meeting to lose money?" Mr. Myers, who opposes a fall meeting, was in favor of continuing the summer session. He was not supported in this by the stockholders and six days were all that was added to the spring session. The track made money on these days, with only a fair break in the weather.

"One will have to wait for the final answer until the Court of Appeals of Kentucky hands down its decision in the suit of Latonia against the racing commission. The case will be heard in September when the court will listen to oral arguments from the learned attorneys on both sides."

London, Eng., July 13.—Six American horses were among the starters at Newmarket today, but Harry Payne Whitney's Top o' the Morning was the only one of the lot to place. She ran second to the Ore filly in the Khedive Plate, with Blue Girl, a stablemate, and August Belmont's Hasty Pudding unplaced. Dinna Ken and Field Daisy, from the Whitney stable, were among the also rans in the Beaufort Stakes and Spring Hall Selling Plate, respectively. August Belmont's Bondoir ran unplaced. The Beaufort Stakes Stakes sovereigns each, with 300 sovereigns added, for three-year-olds and unpart, distance seven furlongs, was won by the Gorgon filly. The Prepare colt was second and Samos II. third.

#### MADDEN ADMIRES HILDRETH'S METHODS.

New York, July 13.—The present-day success of S. C. Hildreth on the American turf is due in a measure to his business relations with John E. Madden. #### KENTUCKIANS SATISFIED WITH SALES

#### Breeders Return Home from New York Pleased with Financial Results and Racing Prospects.

Lexington, Ky., July 13.—"I had a satisfactory sale," said Charles W. Moore, of Mere Hill Stud, on his return from New York. "I sent east ten year-lings and received an average of \$550 for them. My Stalwart-Radiance coit was knocked down to Kimball Patterson for \$1.100 and I figure him a bargain at the price. He will make a serviceable race horse. I have only one other yearling at the farm. He is the coit by Star Ruby—White Plume, and if I do not sell him I will have limb broken and trained. The service fee for Star him broken and trained and the service fee for Star first to service fee for Star first to service fee for Star first to service fee for Star him broken and trained in service fee for Star first to service fee for Star him broken and trained in the service fee for Star him broken and trained in the feet had been serviced to a gentleman in the east and he will be here in September to look at him.

"I spent several days at the track and was much impressed with the character and class of the daily patronage that racing is now receiving. I am satisfied from what I saw and heard that racing will improve steadily and that the market for the best bred horses will always be good. However, the day for promiscuous breeding and the dumping of all sorts of colts and fillies into the sales ring has passed."

Mr. O. D. Randolph, who averaged about \$400 for three fillies, returned home entirely satisfied. "The market for fillies is not good," said Mr. Randolph. "Fillies are not in demand and I feel that I was fortunate in being able to dispose of mine at such prices. My observations on this trip have brought me to the decision to pay the price and breed my mares only to the best stallions. I heard while in New York that John E. Middle entends to bring Plaudit will send Manola Mason to Plaudit's court.

#### TALK OF SECOND TRACK AT BUTTE.

Butte. Mont., July 13.—There is some talk that a second race track may be built here, as a result of the discovery of an alleged weakness in the law passed by the last legislature making betting illegal, except for thirty days abnually within any one enclosure in a county of the first class.

It is claimed that legal advice has been secured to the effect that the authorities cannot prevent a second thirty-day racing meet being held in Butte this senson, providing another enclosure and track and other necessary accessories are secured than those in use at the present meeting.

It is reported that land for another race track has been leased and that enough money has been subscribed to put a brand new racing plant in operation by the time the present racing season expires, but the report lacks confirmation.

#### SAM HILDRETH SUED FOR \$50,000

New York, July 13.—Samuel C. Hildreth, owner of King James, Fitz Herbert and other fast thoroughbreds, is defendant in south brought by Theodore Severin, to recover \$50,000 an arought by Theodore Received when, he alleges, Mr. Hildred to him. In the papers originally filed damage was set at \$5,000, but yesterday application was made to Judge Stapleton of the Supreme Court to increase the amount to \$50,000.

Severin says that while making alterations to Hildreth's home in Neck Road, Sheepshead Bay, the turfman kicked him, injuring his breastbone and causing partial paralysis. A general denial has been entered by Hildreth.

#### HILDRETH REPORTED ANXIOUS FOR MATCH.

Press advices from New York are to the effect that 8. C. Hildreth is anxious to arrange a match race between Fitz Herbert and James R. Keene's Maskette to decide the three-year-old championship. He says any distance at a mile or over will do, on a Weight for age basis. Hildreth says Empire City will be an acceptable place and if Mr. Keene will agree to such a race President Butler declares he will hang up a suitable purse. If there is no chance for such a race at Empire City Hildreth says he will be ready to engage in one at Saratoga.

year-olds.

H. G. Bedwell worked several of his horses at the Empire City track Sunday morning. Fireball and Richard Reed went three-quarters in 1:172. Belleview, Hans and Nadzu pulled up a mile in 1.452, and Prince Ahmed covered three-quarters in 1:162. Chief Joseph, an Idaho horse, owned by W. P. Shafer, is attracting much attention at the Butte track. He is a three-year-old by Dark Secret, out of Yuel, and reminds the Butte racing folk of Jack Nunnally when he was in training there as a three-year-old maiden.

Major Eustace Loder has, according to report, decided to call his Gallinule—Admiration two-year-old Quatre Bras. The English critics are predicting great things for this brother to Pretty Polly and one

of their number has already gone so far as to select him as the winner of next year's Derby.

Henry de Brisay, a prominent French writer and playwright, is advocating in the Paris press the aboltion of pari-mutuel betting under government control. He would have the government turn race track betting over to a syndicate of bookmakers, who would be required to deposit a big guarantee fund and to confine their operations to an enclosure, for which a high admission fee should be charged.
